amc THE WALKING DEAD™

FEAR THE LIVING. FIGHT THE DEAD.

Descend into madness at the nation's premier Halloween event, Halloween Horror Nights® 23. On select nights from Sept. 20–Nov. 2, the biggest names in horror transform Universal Studios Florida® into your worst nightmares. Fight for your life through terrifying haunted houses, a brand-new *The Walking Dead* street experience, and outrageous live shows — only at Universal's Halloween Horror Nights.

EXCLUSIVE PASSHOLDER EARLY ACCESS:
Experience these selected houses during Annual Passholder Nights

Walk in the footsteps of the survivors as Season 3 of AMC's horror hit relentlessly attacks you from all sides. Stay alert as walkers could trap you anywhere along your journey from the town of Woodbury to the claustrophobic confines of the derelict prison.

THE UNDEAD STREETS

And for the first time ever, *The Walking Dead* has overtaken all the streets of Universal Studios®. From Atlanta through the forests and onto Woodbury, you'll have to fight your way through some of the most iconic locations in the show if you want to survive the night.

HOUSES

Raccoon City is overrun with Umbrella Corporation's most terrifying experiments—and the only option is complete destruction. You'll need to duck and dodge lickers, alpha hunters, and Nemesis himself if you have any chance of escaping Capcom's video game terrors before missiles send everything back to hell.

Relive "The Most Terrifying Film You Will Ever Experience" as gruesome Deadites try to possess your soul. Search early and often for hiding spaces as every creaking floor board and tangled vine is ready to pull you down, making you one with the Evil Dead.

Experience a live recreation of the film that ripped horror movies inside out. Beneath the cabin's rustic appearance lies a secret facility that unleashes terrifying beings that you thought only existed in nightmares. As of this printing, no one has found safe passage out yet.

Based on the John Landis horror classic, you'll have to relive the gruesome attack on the moors, the chaos of Piccadilly Circus, and more. If you hear the howl, it may already be too late for you.

Serial killer Bobby "The Blade" Galletta is about to meet Ole' Sparky and 2000 volts are going to send him into a horrific realm of pain and suffering. His victims have waited an eternity for vengeance. They are bound to turn Bobby's afterlife into an unimaginable and ethereal hell.

In her anger, Maria threw her very own children into a river to drown them. Now she walks the earth seeking others to share her pain and suffering forever. Listen for her mournful cries as a sign you need to flee before she drags you to your death.

Hang on tight aboard a militaristic train convoy that is secretly transporting the "Dogs of War"—a genetically engineered super soldier outfit. These bloodthirsty maniacs are only bent on mayhem and destruction with their sights now set on twisting the metal of a speeding train. This is Havoc!

LIVE SHOWS

Party on as those two most excellent dudes return to skewer the biggest stories of the past year with the biggest names in pop culture.

Let's do the Time Warp again! Rock out to clips from the classic cult film with your favorite Transvestite, live tribute performers, and audience participants.
